61. Police Report

There were no reports received from the Ilminster Beat Officer.

The Town Clerk was asked to enquire whether a report could be submitted or an officer could attend future meetings.

Chair's Initials

ILMINSTER TOWN COUNCIL MINUTES

62. Report from the County Councillor for the Ilminster Division

County Councillor Linda Vijeh submitted a written report which was circulated with the agenda but the following point, regarding parking was highlighted.

Cllr Vijeh informed the Council, following complaints concerning parking in the town especially at Breowan Way, she has been in contact with Colin Fletcher at Somerset County Highways who is investigating the matter and is discussing possible actions to resolve the issue.

The Town Clerk reported that a letter had been received from South Somerset District Council, notifying of the South Somerset Parking Strategy Review which is asking for the Town Council to consider working with them, to actively explore and act in a supporting role in finding additional off-street parking. The Clerk reported this will be considered at the next Planning Highways and Transport Committee on the 29 October 2013.

63. Report from District Councillor

South Somerset District Councillor Goodall provided an oral report, with particular reference to the Local Plan, which is currently being presented to the Project Management Board to look at changes. There would be a Public Consultation January which will include affected town and parish councils.

Councillor Goodall explained how to access the most recent Local Plan information on the e SSDC Website.

64. External Audit Report

The Council considered the report from the external auditors and whether any actions were required. The Council noted the report.

65. Appointment of an Internal Auditor

The Council were asked to consider the quotations received from 4 organisations for providing an internal audit service to the Town Council.

- In September 2013 five invitation to submit quotation had been issued
- The Clerk summarised the responses received and tabled a comparison rather than the cost per hour.
- Difference between the responses is the estimated time.
- Important to have good relationship and trust between the Council and the Internal Auditor.

RESOLVED that:

- (i) a Panel be formed comprising the Mayor, Deputy Mayor, Chair and Vice-Chair of Resources.
- (ii) That the Panel be given delegated authority to appoint the Internal Auditor.

66. Adoption and Implementation of a Sponsorship Policy

The Open Spaces Committee at its meeting on 23 July 2013 recommended that the Council considers adopting and implementing a sponsorship policy; a draft policy was circulated at the meeting and presented for the Council's consideration.

RESOLVED that the Council adopt and implement the sponsorship policy as presented.

67. Reports from Representatives on Outside Bodies

Reports were received from the following representatives on Outside Bodies.

Chair's Initials

ILMINSTER TOWN COUNCIL MINUTES

Chamber of Commerce - A written report was submitted by Cllr Goodall and circulated with the agenda.

Somerset Association of Local Councils A written report was submitted by Cllr Miller and circulated with the agenda.

Arts Centre – A written report was submitted by Cllr Sothern and circulated with the agenda.

Dementia Awareness A written report was submitted by Cllr Sothern and was circulated with the agenda.

Christmas Lights Committee - Cllr Pallister reported that the proposed Christmas lights on the Market House will not be happening in 2013.

68. Authorisation of Payments and Notification of Virements

(A) The Schedule of Payments for authorisation was circulated with the agenda for Council's approval.

RESOLVED that the accounts listed in the schedules presented to the Council totalling £22,423.21 be approved.

69. Project Plan

The Council considered the progress on the project plan and whether any changes are necessary.

Issues discussed during consideration of this item included:

- Item 13 Parking
- Item 14 Adoption of Lower Meadow/Canal Way development Cllr Goodall reported the developer has agreed to maintain grass and hedge rows twice a year.
 RESOLVED that:
- (i) To delete item 13 Station Road Parking as the matter has been dealt with
- (ii) That the Town Clerk writes to the District Council expressing concern about a) the standard of maintenance of the communal and areas which has not been adopted on existing Persimmon developments in Ilminster and b) Persimmon's apparent disregard for planning procedures with regard to the proposed new development off Canal Way.

70. Clerk's Updates

The following Clerk's Updates have been sent by email since the last Council agenda was published.

Ilminster Town Report November 2013

If you think a crime may be in progress, about to happen or that offenders are still nearby - regardless of the time of day or night - call **999**.

When reporting a crime please call the following numbers:

General enquires number and crime reporting 101

OR

In case of emergency 999.

Or

CRIME STOPPERS on 0800 555 111

Your call cannot be traced and you will not be asked your name.

For more information and for more advice on all the above and much more Please visit

www.avonandsomerset.police.uk

Good evening to you all, since the last Police report we at Ilminster station have been kept busy with our usual work in the town and in the surrounding villages. You may be aware that PCSO Gareth ALLINGTON has now gone from Ilminster and is now working from Crewkerne. We thank Gareth for his work in and about the Town, and I am sure Crewkerne will benefit from his vast knowledge and thoroughness. He will still be seen covering the Town from time to time when Ilminster PCSO's are on rest days/leave.

Unfortunately Ilminster has not had a great month for crime figures. We have seen two dwelling burglaries on the south side of town, where

items of jewellery and cash were taken. Also a dwelling burglary on the north side of town where jewellery has gone, this however has not been linked to the other two. Police are appealing for any information about these incidents, however insignificant it may seem.

On the 18th November a number of males entered several shops in Silver Street, with the intention of getting staff to check for items supposedly reserved out the back of the shops. They managed to open two tills once staff backs were turned and got away with varying amounts of cash. It is not believed that these males were local to Ilminster, but please can people be vigilant and report any suspicious activity both with people and vehicles.

On a brighter and more positive note, Ilminster Beat manager, PC Andy STUART in company with a Police Support Group carried out a Misuse of Drugs Warrant at an address in Ilminster. This followed several reports from local residents and PCSO's of regular visits by people to the address. An amount of drugs were seized and two persons are on bail for Possession With Intent To Supply (PWITS); the drugs are still to be analysed and tested. This goes to show how with the help of local residents, police can and will act on information passed. This sends out a clear message that drug taking and dealing will not be tolerated.

PCSO Karen PACK has been tasked by our Neighbourhood Sergeant Rich BARNETT to look into the possibility of creating no drinking zones in areas of Ilminster. It has been proven to be a good way of bringing anti-social behaviour levels down in other Towns and Cities.

With the late nights now upon us it is a good time to carry out safety checks on our motor vehicles and cycles. Make sure that lights are in full working order and if a push bike make sure they are fitted (it is an offence to ride a bike with no lights, which can result in a £50 fine). I am supprised how many parents are allowing their child to ride about with dark clothing and no lights. Check tyre pressures are correct and tyres have good tread.

It is also a time to be vigilant with Xmas coming up. Be careful what you do with empty packaging displaying the content of items purchased. Do not leave presents under the tree with lights on and curtains open.

Open Spaces Committee

The Open Spaces Committee met on 5th November 2013, and made the following recommendations:

• Cemetery Wall (North) repairs

RESOLVED to **RECOMMEND** that the work listed below is carried out to the North wall of the cemetery and funding for this work will be split between the cemetery maintenance heading 761, the Churchyard maintenance heading 561/7, and the trees/hedges maintenance heading 561/10 at a ratio of 2:1:1.

- a. Re-pointing the damaged wall at a cost of £539
- b. Inspection and repairs to the footings at a cost not exceeding £240

Ilminster Education Foundation - Cllr L Vijeh

I attended the meeting held on 11th November, at which Alan West was elected Chair. Concern was raised over the lack of a second trustee to represent Greenfylde School, and it is hoped that someone will come forward to fill the post.

In the last years 44 student grants totalling £15070 were awarded (an average of £360 per grant) in addition to 46 special and parish grants totalling £8914.

As a result of the grants those successful in their applications were able to participate in trips abroad to battlefields, football tournaments and other activities including youth choirs.

Consideration was given over possible revision to the criteria for the Hatfield Bursary, where in recent years there had been no students achieving the required A* grade at A level in order to qualify.

There were 5 grants to schools, for It equipment and sixth form support materials.

IEF are actively seeking applications for grants by those on apprenticeships or attending day release courses at college.

Of interest to Ilminster residents is a letter to ITC outlining the IEF position in relation to proposals for use of the Recreation Ground, and the accuracy of maps for land in which IEF has a material interest.

Agenda Item 13

Ilminster Town Council

Total costs of funding for the North West Cemetery Wall.

Recommendation:

- i. That the work to gradually slope and reinforce the bank at the bottom of the cemetery at a costs of £650 + vat is approved
- ii. That the total costs for the work to the North West cemetery wall is funded in the following way:

Cemetery Walls provision £5558.00
Cemetery Seats provision £1783.34
Cemetery Bins provision £1783.34

And the appropriate virements are made

Introduction

- 1) When approval was granted to replace the North West cemetery wall with railings, it wasn't discussed at the time where the funding for this work would come from. The costs for the work is £8184.68 + vat.
- 2) Since approving the above, it was necessary to repair the pillars at each end of the North West cemetery wall in order for them to be in a suitable condition for attaching the railings. The cost of this work was £320 and has already been completed.
- 3) In addition to the above costs, work needs to be carried out to bank at the bottom of the cemetery. This area needs to be gradually sloped and reinforced to stop it collapsing. The cost for this work would be £650 + vat.
- 4) In total the costs are £9124.68 + vat which could be funded in the following way:

Cemetery Walls provision (line 127 of Renewals & Provision sheet) £5558.00
Cemetery Seats provision (line 123 of Renewals & Provision sheet) £1783.34
Cemetery Bins provision (line 122 of Renewals & Provision sheet) £1783.34

Ilminster Thursday Market Town Council 3 December 2013

Recommended that the Council considers what action it wishes to take in relation to the running of Ilminster general market taking into account the recommendation of the Market Working Group.

Introduction

1. South Somerset District Council (SSDC) currently run the weekly general market in Ilminster which takes place on a Thursday morning. Due to a change in staffing arrangements, the SSDC have asked if the Town Council would be willing to take over running the market. The Town Council set up a Market Working Group, which included a representative from the Market Traders to look at the viability of the Town Council running the market. The Working group has met twice and at the most recent meeting was attended by Daryl Chambers who works for Bridport Town Council and is a buddy for the National Association of British Market Authorities.

Market Charter

2. Lord Cameron holds the Market Charter for Ilminster and is paid a peppercorn rent by the SSDC for permission to operate the general market in Ilminster Town Centre on a Thursday.

Current Ilminster General Market

3. The general market operates from the Market House and along the north side of East Street from approx 8.30am to approx. 3.00pm. The regular traders include: bread, computer equipment, fish, greengrocer, petfoods & accessories, plants. There are generally 4 traders within the Market House with the remainder outside but there is no written permanent allocation of any pitch to any trader.

Finance

4. SSDC have provided the following information.

2011/12 Income £4,250 2012/13 income £4,470

Annual expenditure (excluding salary & travelling expenses) estimate of £2,430 which includes

- licence fee to Lord Cameron £5.00
- Business Rates £130 (12/13)
- Services £147 (11/12)
- Licences and rent
- Marketing and promotion

In addition to the above costs the Town Council would need to take out extra insurance of £100 + IPT tax.

5. The current pitch charges are: £9. 20 for 10ft, £13.40 for 20ft and £17.60 for 30ft. There is no differentiation between charges for casual and regular traders.

Staffing

- 6. The main requirements are:
 - Putting out signage and collecting at end of the market
 - Putting cones across parking bays and collecting at end of the market
 - Connecting and disconnecting the electricity
 - · Checking that Traders are in allocated pitches
 - Checking health and safety e.g. trip hazards
 - Checking traders public liability insurance documents and food hygiene certificates where appropriate
 - Collecting pitch charges
 - · Receiving pitch applications and allocating pitches

Experience From Other Towns

- 7. The SSDC Regeneration Officer says "There is evidence from other towns that when a Town Council takes over control of their local market from a District Council they have a stronger sense of ownership and are more driven to make that market succeed. This results in a better market that attracts more people into the town and increases footfall in the town not only for traders but also surrounding shops. Examples where this has successfully happened are at Honiton and Ludlow"
- 8. Mr Chambers visited the market before attending the working group and made several suggestions as to how the Ilminster Market may be improved; he stressed the need for fair and robust management with clear information provided to traders and the need to promote the market and develop positive working relationships with businesses in the town.
- Chard and Crewkerne Town Councils have recently taken over running their weekly market.

Consultation

- 10. Ilminster Chamber of Commerce have said that they support the concept of a vibrant weekly market which helps to increase the footfall in the centre of the town.
- 11. The Market Traders have indicated that they would support the Town Council running the weekly general market.

Implications for Ilminster Town Council

- 12. The main implication for the Town Council is allocation of resources specifically staffing.
- 13. Based on the limited information available from SSDC and the discussions with Mr Chambers, setting up and closing down the market should take a maximum of 2 hours per week. Setting up usually start at approx 06:30hrs. In some towns this is done by one of the market traders who usually then receives a reduction on their pitch fee. The market traders in Ilminster have

- indicated that they would prefer the setting up and closing down to be undertaken by Ilminster Town Council staff.
- 14. The collection of money from the traders and the associated paperwork should take approx 1 hour per week.
- 15. Administration e.g. checking insurance should be a maximum of 1 hour per week.
- 16. In the short term (up to 3 months), time would need to be spent learning and reviewing any existing procedures and documentation and where required, subsequently drafting and negotiating any changes that the Council and / or the market traders would like introduced e.g. different charges for regular and casual traders.
- 17. Longer term (3-18 months) it would be desirable for some resource to be allocated to promoting and marketing the market.
- 18. There has been a suggestion that signage for the market should be increased and improved this would be an additional item of expenditure.
- 19. The indications from other councils, including SSDC, are that it should be possible for a market to be self funding and there is the potential for a small income stream for the operator. It has not been possible to substantiate these indications in relation to the Ilminster general market as up to date, detailed income and expenditure information has not been obtained from SSDC.

Options

- 20. The Council may wish to consider the following options.
- (i) That Ilminster Town Council agrees to take over running the Ilminster weekly general market at a date to be agreed with SSDC
- (ii) That Ilminster Town Council defers making a decision whilst it seeks further information about the resources (finance and staff time) required to manage the market
- (iii) That Ilminster Town Council declines the opportunity to take over running the Ilminster weekly general market.

Working Group Recommendation

21. The recommendation of the Working Group is that the Town Council should take over running the Ilminster weekly general market.
