

A Highways England notification

A303 road markings and stud replacement Approximate location Stopgate to Southfields 20 to 26 April 2021

Highways England operates, maintains and improves England's motorways and major A roads.

The road markings and studs in sections of this area have reached the end of their design life and need to be replaced.

The work will be carried out in phases, overnight Monday to Friday, between the hours of 8pm and 6am the following morning. Road closures and locally signed diversions will be in place. Please accept our apologies in advance for any inconvenience which may be caused.
