

Reports From Outside Bodies

> Ilminster Dementia Action Alliance – Cllr J Sothern

>

At the last meeting it was decided to hold an Easter Egg raffle outside Tesco to try to raise awareness of not only dementia but the Alliance itself.

Tesco (via its store champion, and our new member) donated a very large selection of Easter eggs to raffle. This was extremely successful and raised £100 which was donated to Ilminster Memory Café,

> Several people showed an interest in joining the Alliance and a meeting has been arranged at the Minster rooms to have a chat to explain more fully the Alliance and hopefully enrol some of those interested,
