

Reports on Outside Bodies

Ilminster Experience

- A very successful event, well attended despite poor weather.
- Overall, a small surplus on the event BUT the planned increases in Road Closure licences in 2017 from £60 to £200 will take up a lot of the surplus next year unless further action can be taken.
- Next year will be the 10th Anniversary.
- Many of the older flags are nearing the end of their life. The flags are well liked but will now need to be replaced.
- IMEx would be looking to apply for a grant for 2017
- **The event, like many other events in Ilminster require a lot of heavy manual work and current volunteers are getting “less young”!**

Looking for ideas to create TEAM ILMINSTER to attract younger volunteers.

Warehouse Theatre

- It was reported that the theatre had had a very successful year.
- The theatre have defined a number of objectives for 2016/17 perhaps the most significant being to complete the auditorium reseating project, repaint the Auditorium and to get the front of the Theatre repainted.
- IES are Planning a special event to celebrate 30 years of the Warehouse Theatre.
