P6 Planning Decisions made by SSDC

The following decisions made by South Somerset District Council were reported for information. Details are on the South Somerset District Council Website:

<http://www.southsomerset.gov.uk/planningsearch>

a) 14/02474/OUT, Land at Shudrick Lane Ilminster, TA19 0AR

Demolition of existing farm buildings, erection of up to 220 No. dwellings (Class C3), creation of vehicular access from Shudrick Lane and Townsend/Long Orchard Hill, public open space and associated landscaping and engineering works (Outline Application).

Refuse Permission for the following reasons:

- 1 The proposed development by reason of its scale and location is contrary to the Council's local plan housing strategy and its strategy for growth for Ilminster, constituting a significant sized housing development outside of the Council's identified Direction of Growth for the town. The proposal is therefore contrary to Policy PMT3 and SS5 of the South Somerset Local Plan (adopted 2015).
- 2 Insufficient information has been submitted to the Local Planning Authority to demonstrate that the development is acceptable in terms of traffic impact and highway safety at the Townsend/Bay Hill junction, and that the proposal would be served by safe and suitable means of accesses for all people. The proposal is therefore contrary to Policy TA5 (bullet

points 2 and 3) of the South Somerset Local Plan (adopted 2015) and to Paragraph 32 (bullet point 2) of the NPPF.

- 3 The proposed development would have an adverse impact upon the significant and setting of designated heritage assets within the locality. The proposed development is therefore contrary to Paragraph 134 of the NPPF>
