A male has been prosecuted for persistently making malicious 999 calls.

Entry was forced into Bradford's Building Supplies...numerous power tools were stolen, this is currently being investigated.

Several vehicles have been broken into in Ilminster.

Police are strongly advising people to take the following precautions...

Where possible park your car in a well-lit area.

Before leaving your vehicle, lock all doors and close all windows not forgetting to shut the sunroof.

Check you have not left anything on display, handbags, mobile phones even an old coat on the back seat is a target for someone to smash a window and grab it.

A lot of vehicle crime is the result of criminals seeing opportunities and taking them.

DON'T GIVE CRIMINALS AN EASY RIDE

IF THEY CAN SEE IT, THEY CAN STEEL IT, IF YOU CAN SEE IT....MOVE IT
