101. Minutes

RESOLVED

- (i) that the minutes of the meeting held on 20 September 2016 be confirmed as a correct record.
- (ii) to note the Office Action Plan relating to the Town Council Meetings.

Issues raised during consideration of the action list included:

- Cricket pavilion survey has been ordered but no date as yet has been given for the survey to take place
- Cemetery Lodge – arrangements for the remedial work are progressing well
- Office Accommodation Working Group – the Mayor requested that a meeting of this group be convened
- Community Facilities Management and Rental Policy - put on the next Resources Committee agenda to consider whether or not any additional information needs to be added
- Concerns that Councillors may get confused between the office action plan and the project plan but as the format and content is likely to be changed if the Town Council develops a strategic plan no changes required at present.

102. Mayor's Announcements/Engagements

- a) The Mayor explained that South Somerset District Council is doing a review of the conservation area for Ilminster – Cllr Drayton has been asked to draft a response for consideration at a future Town Council meeting

103. Police Report

This agenda item provides an opportunity for the Police to report on any matters relevant to policing in Ilminster.

Issues raised during consideration of this item included

- Incidents appear to be down but this is due to the short length of time since the last town council meeting – in fact they are remaining at a steady level
- 7.5 tonne limit on Ilminster roads. There are 2 types of weight limits - environmental and structural; structural e.g. bridges –have no exemptions; environmental type limits may have exemptions. The weight limit in Ilminster applies to goods vehicles, agricultural vehicles and coaches are exempt. Implementation and understanding of weight limits is a problem in other places as well as Ilminster.
- Legislation regarding drones
- Possible illegal killing of a deer needs to be reported to the police

104. Report from the County Councillor for the Ilminster Division

The report from Cllr Vijeh was circulated prior to the meeting; the County Councillor had sent her apologies for being unable to attend the meeting. No matters were raised to be forwarded to the County Councillor.

105. Reports from District Councillors

The South Somerset District Council new Chief Executive is in post and has been involved in developing a new senior management structure which will go to full Council for approval on 13 October 2016.

A lot of preliminary work is taking place on the 2017/18 budget and the settlement will be discussed at the October Council meeting. The overall picture for the next 3 years is extremely difficult. Business rates can now be kept by the District Council but that is offset by the fact that any reimbursements due to appeals will have to be met by the District Council – even if the appeal refers to the time before the Council were able to keep the business rates income.

There are some interesting ideas coming from the income generation work that may be transferable to a town council.
