

Section 106 criteria agreed by Town Council 22.07.14

RESOLVED that any application for S106 money should be assessed against the following criteria:

- (a) Does the project deliver part of an agreed master plan or any other Council priority?
- (b) Is there a need – local or strategic?
- (c) How many people will benefit from the project?
- (d) Has the applying organisation secured other funding towards the project – What amount and percentage of the total project cost?
- (e) Are the proposals approved by the applicant's national governing body?
- (f) Is the project fully accessible by all members of the community?
- (g) Is the project required for health and safety reasons?
- (h) Has there been consultation with members of the public or have members of the public informed the project?
