

Open spaces report for 09/12/14

(Last report for meeting 20/10/14)

- Planted all winter bedding in town troughs/minster bed etc
- Ash tree near toilet block has been felled and cleared
- Tree overhanging canal way road has been cut back
- Grass cutting has continued but has slowed up
- Replaced several light bulbs in and around toilet block
- Cleaned the canal information sign
- Put a donated bench in the library garden
- Repaired several benches and re-painted/stained(inc GWR bench)
- Cleaned out the gully on the market house roof
- Replaced the broken salt bin at black down view and checked others
- Clearing leaves
- Sorted supplies for the flood stores and set up
- Trying to get rid of rats in the old football club tea shed
- Started a full inventory of all assets and equipment (including numbering and pictures)
- Unblocking the canal outlet several times a day when raining due to the new grid placed by the angling club. We have now removed the top to prevent flooding the pathway.

Future planned jobs

- Make bench bases and put out benches
- Trim shrubs at cemetery
- Spray tennis courts for moss
- Spray minster pathways
- Play equipment service subject to rec review
- Pathway to workshop shed
- Tree work on hill
