

Data Storage Cost Comparison

Data Storage	Costs for Year	Notes
Current Data Storage Costs	£504.00	
Microsoft 365	£403.20	
Acronis True Image Workstation	£140.00	This is a special price with limited availability

Microsoft Package Options

Microsoft Package Option	Cost for Year	Notes
Microsoft 365	£403.20	This would be the cost every year, but the computers would always have the latest version of Microsoft office and the cost also includes the backup/storage facility
Microsoft 2013 Publisher x 2	£788.00 £180.00	This is a one off purchase price, but no upgrade costs or storage costs are included. The storage would be an additional £504 per year with the current provider or £140.00 per year with the Acronis True Image Workstation
TOTAL	£968.00
